Embrace The Resource-Oriented Paradigm In The Cloud With A Comprehensive Toolchain

**OCCIware Outcomes:**
- From design to execution of OCCI-compliant services
- A unified environment for IaaS / PaaS / SaaS
- Ready-to-use services such as Big Data as a Service

**Business Value:**
- Focus on your core business know-how
- Shorten your time-to-market
- Integrate with existing IaaS and PaaS ecosystems

The OCCIware project is coordinated by Open Wide and funded by the French Fonds National pour la Société Numérique (FSN).
